**6 Summer Zoo Camp Themes**

**Little Critters-Animals Around the World:** From the rainforests of South America to the savannahs of Africa, travel to different continents each day! We will explore a variety of habitats & animals found around the world!

**Little Critters-Bug & Reptile Round-up:** We like the things that slither, creep & crawl. Together, we are going to discover their secret worlds.

**Little Critters / Jr. Zoo-ventures!:** What do you get when you mix zoo animals with spooky wizard-pirate fairy tales in outer space? All 5 days of the Zoo-ventures summer camp that explores all of the adventures you can imagine.

**Jr. / Cadet / In Training Keepers:** Be a zookeeper for a week as we explore exhibits, tour behind-the-scenes & roll up our sleeves as we create animal enrichment & help care for the zoo animals.

**Jr. / Cadet Creative Critters:** Combine your love of animals with a passion for creativity & join us for this unique camp exploring both. We will learn about animals, different artistic techniques & what happens when the two collide!

**Cadet / In Training Outdoor Rangers:** We are taking our animal explorations outside to examine local nature & wildlife. We will hike through the trees & become environmental scientists as we collect specimens, run experiments, & draw conclusions from our deductive observations. Campers will collect outdoor safety skills including wildlife detection, navigation & how to prepare for adventure!
